## World Pilot Gig Championships 2010

### **RETURN GIG TRANSPORTATION (Price per gig)**

Gig Shipping (including the trailer)	= £95.00
Towing	= £30.00
-----	
TOTAL	= £125.00

The Shipping cost above covers sea transport between Penzance and St. Mary's Quay, administration, landing fees and management, provided that 15 people per gig support the Steamship Group by travelling with us on one of our services and by advertising Isles of Scilly Travel on each gig trailer. Towing, fulfilled by a third party, includes return road transport from St. Mary's Quay to Holgates Green, location organization, applicable storage and/or additional maneuvering.

**Please be aware that the Steamship Company are no longer able to insure the gigs whilst in transit. The Isles of Scilly Steamship Company recommends that all Gig Clubs ensure that each boat has adequate insurance cover. All gigs will be carried at 'Sole Owners Risk'.**

**All gig trailers must be legally 'roadworthy', with working handbrakes, jockey wheels and full set of lights. Any trailers provided in an unfit state maybe refused for travel.**

For clubs who wish to travel by alternative means or refrain from advertising on each gig trailer there will be a charge of £305.00 + VAT for each gig carried. The above gig shipping rate is a World Championship Special Offer only and the full charges shown here will be applicable for the carriage of gigs at all other times throughout the year.

Please note: If any Club is unable to send 15 people per gig they should contact Debbie Hunt at the Isles of Scilly Steamship Company to discuss the circumstances. Email: [freight@islesofscilly-travel.co.uk](mailto:freight@islesofscilly-travel.co.uk)

For safety reasons gigs must only contain paddles, seats, pins etc. Any gigs found stowing freight will be unloaded and the goods shipped as freight and charged accordingly.

The above charges do not include registration fee for the World Pilot Gig Championships.
